

# Andreas Lindeborg

4th year M.Sc in Information  
Technology and Engineering

Hi! Great to see you here!

I am a social person who thrives in team environments where collaboration and communication are key to success. My attitude is always to go above and beyond to exceed expectations while ensuring that the work remains enjoyable!

## Experience

### Sales Assistant *Kjell & Company*

Stockholm

Jun 2017 – Aug 2020

As a sales assistant at Kjell, you get to do much more than the traditional role of a salesperson. At Kjell, they encourage you to find innovative and helpful solutions tailored to each customer, consistently exceeding expectations. This type of work ethic aligns perfectly with the charm of programming and problem solving in general.

### Kitchen Manager / Staff Manager *MAX*

Solna

Jul 2016 – Jun 2017

Promoted to kitchen manager after just one month at MAX. The role included full responsibility for overseeing all aspects of staffing and operations for the entire restaurant. I gained significant experience in operational management and administrative tasks.

### Awards

Selected as part of the company's "Dreamteam" in early 2017, recognizing my performance and rapid development within the company as a kitchen manager in the Solna district.

## Education

Aug 2021 –

**M.sc in Information  
Technology and  
Engineering**

Linköping University
